Dear parents/guardians and supporters of VGHS students:

#### **Upcoming Planned Events/Important Dates:**

May 15 VGHS Spring Celebration of Learning

#### **Celebration of Learning**

May 15 is the semester Celebration of Learning. Some of you may recall the showing of the Taos Teens documentary during the winter Celebration of Learning.

This coming Thursday we are hosting an Energy Summit. All of the student products from the semester deal with the broad concept of energy, its use, its generation or its byproducts. Roots and Wings Community School has been on a related semester long-expedition and will be joining us. You also are invited. Our students will alternatively be acting as presenters or audience as products are presented and showcased. The schedule below is for you to use to decide when you can visit and participate in this summit. This is our second Celebration of Learning and the first of this kind. Your participation and feedback is important to us.

**2008 Energy Fair Schedule is on the next page**
