

Vista Grande High School, Taos, NM
ANNOUNCEMENT –SCIENCE TEACHER
Spring Semester, January 2010

Open Until Filled

POSITION

Science Teacher for Vista Grande High School, an Expeditionary Learning Public High School serving students in grades 9–12 in enchanted northern New Mexico.

Seeking high energy, positive, adventurous, communicative professional to join the VGHS educational team where teachers develop expeditions collaboratively and are passionate in teaching subject matter that embraces emphasis upon integrating all subjects. Wilderness trips, leadership, service learning, community engagement, and public displays of learning are regular parts of the school year.

SALARY AND BENEFITS

Competitive with NM public charter schools statewide. Perks include over ninety days of vacation including summer, Christmas, Thanksgiving, and spring break. Applicants should be prepared for a 3-year commitment.

QUALIFICATIONS

- 1) New Mexico secondary Science teaching license or possess academic background necessary to attain a NM secondary Science teaching license.
- 2) Successful clearance on background check.

Submit a resume, letter of interest, transcripts, copies of credential(s) and VGHS Application to Dr. Loretta DeLong, 111 Paseo del Canon West, Taos, NM 87571.

Application material can also be emailed to ldelong@vghs.org or faxed to (575) 758-5102

**Applications are available on the Vista Grande High School Website at vghs.org. For further information, contact Dr. Loretta DeLong through email at ldelong@vghs.org or 575-758-5100 ext. 102
